

The Canadian Entertainment Industry Retirement Plan (CEIRP) is the Savings & Retirement plan for most IATSE Locals, Directors Guild of Canada (DGC), Entertainment Partners Canada, Actsafe Safety Association and the BC Council of Film Unions – across the country.

Growing your savings for life after work makes sense. And CEIRP makes saving easy.

No one should have to keep working past retirement age simply because they can't afford to stop.

That's why CEIRP was created.

And as a member of one of the many participating unions/guilds, CEIRP is a very significant – and important – part of your membership benefits.

The goal of CEIRP?

- **Create an easy way to save** – and provide *flexibility* and *choice* for your savings needs and goals.
- **Negotiate super-low fees** – to help you keep more of your money invested and earning over time.
- **Provide education opportunities and communication**– to help you make good personal decisions about finances and savings.

How to enroll and start saving

If you haven't done so already, enrolling in your Canadian Industry Retirement Plan (CEIRP) is easy – and investing in your future is worth a few minutes to get started. There are just a few things you need to do.

- 1. Get started by contacting your Local/Guild's member services** – they're there to help and answer any questions you may have and connect you with your plan administrator!
 - Review your CEIRP enrolment package and choose your investing approach
 - After you've completed the enrolment process, Great-West Life will send you an email to confirm your account and to register for online access
- 2. Register for [grsaccess.com](https://www.grsaccess.com)** – this is how you will have access to your account and make any changes.
- 3. Make sure you read emails from CEIRP** to keep up-to-date on news, opportunities to learn, and more.

Learn more about CEIRP – and connect with your plan
